### **Independent Auditor's Review Report**

To, The Shareholders Jordan International Investment Company (Public Limited Shareholding Company) Amman - the Hashemite Kingdom of Jordan

#### Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of Jordan International Investment Company ("the Company") as of June 30, 2025 and the interim condensed consolidated statements of profit or loss, other comprehensive income for the three- and sixmonth periods ended June 30, 2025, changes in shareholder's equity, and cash flows for the Six-months period then ended, as well as a summary of significant accounting policies and other explanatory notes.

The management is responsible for the preparation and presentation of these condensed interim consolidated financial statements in accordance with International Accounting Standard (IAS) 34, "Interim Financial Reporting,". Our responsibility is to express a conclusion on these condensed interim consolidated financial statements based on our review.

### **Review Scope**

We conducted our review in accordance with the Standard of Review Engagements (2410) "Review of Interim Financial Information Performed by The Independent Auditor of The Entity", The review process of the condensed interim financial statements primarily involves making inquiries to individuals responsible for financial and accounting matters, applying analytical procedures, and performing other review procedures. The scope of a review is significantly less than an audit conducted in accordance with International Auditing Standards, and therefore, our review does not allow us to obtain assurances regarding all significant matters that could be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim consolidated financial statements as of June 30, 2025 are not prepared in all material respects in accordance with International Accounting Standard (34) "Interim Financial Report".

The partner is in charge of the audit resulting in this auditor's report was Hasan Amin Othman; license number 674.

#### 1- Legal Status and Activities

Jordan International Investment Company ("The Company") is a public limited shareholding company that operates under Commercial Registration No. (412) Issued in Amman city on July 13, 2006.

The main activity of the company is represented in the purchase of lands and the establishment of industrial projects, craft and residential cities, tourist hotels, residential buildings, import and export, commercial agencies, and money borrowing and brokerage.

The company is wholly owned by Jordan International Insurance Company - a public shareholding limited company.

### 2- Basis of Preparation:

#### **Statement of commitment**

These Interim Condensed financial statements for the six months period ended June 30, 2025 have been prepared in accordance with International Accounting Standard (34) "Interim Financial Report".

The Interim Condensed consolidated financial statements do not include all the information and notes required in the annual financial statements and therefore should be read in conjunction with the company's financial statements for the fiscal year ending December 31, 2024. In addition, the results of operations for the period ending June 30, 2025 are not necessarily represent an indication of the results of operations for the year ending December 31, 2025.

### **Functional and Presentation Currency**

The interim condensed consolidated financial statements are presented in Jordanian Dinar, which is the functional and presentation currency of the company.

### 3- Adoption of New and Amended International Financial Reporting Standards

The accounting policies followed in preparing the financial statements are consistent with those followed in preparing the financial statements for the fiscal year ending on December 31, 2024, except that the Company applied the following amendments except for the following amendments which are applicable for the first time in 2025. However, not all of them are expected to have an impact on the Company:

- Amendments effective for the period starting on January 1, 2025 Amendments to IAS 21 — Lack of Exchangeability
- Amendments effective for the period starting on January 1, 2026
  Amendments to IFRS 9 "Financial Instruments" and IFRS 7 "Financial Instruments:
  Disclosures"
- Amendments effective for the period starting on January 1, 2027
- IFRS 18 Presentation and Disclosure in Financial Statements
- IFRS 19 Disclosures for Subsidiaries without Public Accountability

The Company is assessing the impact of these new accounting standards and amendments. The Company does not expect these standards and amendments – issued by the (IASB), not effective yet– to have a material impact.

Balance at the end the period / year	62,751	62,751

The company applies the simplified approach under IFRS No. (9) Where the company measures the provision for credit losses for account receivables at an amount equal to lifetime expected credit losses. The expected credit losses for trade receivables are estimated using a provisioning matrix based on the debtor's previous defaults and an analysis of its current financial position and its adjustment according to specific factors for the debtors and the general economic conditions of the industrial sector in which the debtors operate and an estimate of both the movement of current or expected conditions as at the date of preparing the consolidated financial statements.

The Company writes off any trade receivable if there is information indicating that the debtor is in severe financial distress and there is no realistic prospect of recovery, for example when the debtor is placed in liquidation or is subject to bankruptcy proceedings.

### 14- Financial Instruments - Risk Management

#### Fair value:

Is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transactions. As the Company's financial instruments are compiled under the historical cost method, differences can arise between the book amounts and the fair value estimates. Management believes that fair values of the Company's financial assets and liabilities are not materially different from their carrying values.

#### Credit risk:

Credit risk represents the risk that a counterparty will be unable to meet its obligations, resulting in a financial loss to the other party. The Company is not exposed to any significant concentrations of credit risk. account receivables are continuously reviewed, and an aging analysis is performed along with the recognition of appropriate allowances for doubtful accounts. account receivables are presented net of credit loss provision. The Company maintains its cash balances with local banks that have a good credit rating.

#### **Currency risk:**

Is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates. The Company's transactions are predominantly in Jordanian Dinars, and United States Dollars. Furthermore, the Jordanian Dinars relates to the United States Dollar therefore the currency risk is being well managed.

#### Liquidity risk:

Is the risk that an enterprise will encounter difficulty in raising funds to meet commitments associated with financial instruments. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value. The Company's management monitors liquidity risks by maintaining adequate provisions, continuously monitoring cash flows, and balancing the maturities of financial assets and liabilities on a regular basis and ensures that sufficient funds are available to meet any future commitments.
